New Color to Cambium Fencing Line - Cypress

Why Cypress?

- Very popular Eastern Wood Species
- Natural material for fencing
- Cypress species has a blonde color; once a clear varnish or stain is applied, it glows to a deep honey color
- Its beautiful, fine grain looks great in formal or casual settings

CAMBIUM™

Panels Available

- Dogwood 6x8
- Arrowwood 6x8

Enjoy nature uninterrupted. Cambium gives your ActiveYards fencing a natural wood appearance. As you take in the view of your backyard, this beautiful boundary blends right in. Cambium has a UV blocker with reflective pigments that minimize heat build-up and keep wood appearance rich for years.

Your backyard is your own nature sanctuary. With Cambium, your fencing can feel just as natural. It was created to give your fence a convincing wood look so it blends with the natural beauty of your backyard.

Unlike real wood, the vinyl construction will never fade, warp, crack, or mildew, guaranteed. And with a lifetime warranty, you can enjoy peaceful outdoor living worry-free for all the seasons ahead.
